**Description**

After doing a bunch of work for TNI I only just now realised that I had been punching my hours into the closed project - doh!

Also, seems like a bit of a bug that punching into

!pi tni/dev resolves to !pi tniredesign/dev when there are the following options

tniredesign  
tnisa  
tnicivi  
tნიweb

Eeek

#### Révisions associées

Révision 465ea79a5850366e7bae19fa2bd38861d0b8da64 - 2013-03-06 08:53 - Jiri Machalek

python-requests 1.x compatibility

Thanks to Mikael for bug report. Fixes #2367.

#### Historique

**#1 - 2011-05-05 14:08 - Guillaume Boudrias**

- Assigné à mis à Guillaume Boudrias

**#2 - 2011-06-07 14:53 - Samuel Vanhove**

- Sujet changé de Punching into closed projects à Don't show task from closed contract when doing !pi
